

3D Printer Enclosure

IMPORTANT

- Check for damage to any of the items in shipping container.
- Check for the proper number of items as listed in the Component List in the Assembly Instructions

CAUTION

- Take care when handling your BuzzBox Enclosure. The enclosure is made from acrylic and may crack or fracture if mishandled.
- The edges of the parts may be sharp. Handle with care.

ADDITIONAL INFORMATION

- See the Terms and Conditions at <http://buzzbox.apogeescience.com/terms/> for information on warranties and claims.
- If you have any questions, please contact a customer service representative at buzzbox@apogeescience.com

**Thank you for your purchase of a
BuzzBox Enclosure !**
